Welcome to ArtWalk in the Square, curated and developed by the Artists' Network — a not-for-profit, membership-based organization dedicated to supporting visual artists in their business practice.

We are proud to bring together over 70 talented artists from across Ontario to the ONLY outdoor art show in the city that focuses solely on fine arts. You will have the opportunity to see work from emerging artists as well as mid-career artists who have gallery representation and show their work internationally.

We encourage you to visit every booth and learn about the stories and processes behind the work. Artists from all disciplines including painting, photography, fibre art, glass and sculpture are represented, ensuring everyone will find that perfect piece (or two) for their home.

Enjoy,

Kate Taylor, Gary Bercovitch, Paul Brandeys, Donald Bray, Ian Busher, Mark Gleberzon, Rea Kelly, Jessica Lin, Jamie MacLean, Roderik Mayne, Lori Ryerson
